**@ Alfred Health Library  
Services**

# E-BOOK Collections @ Alfred Health Library Services

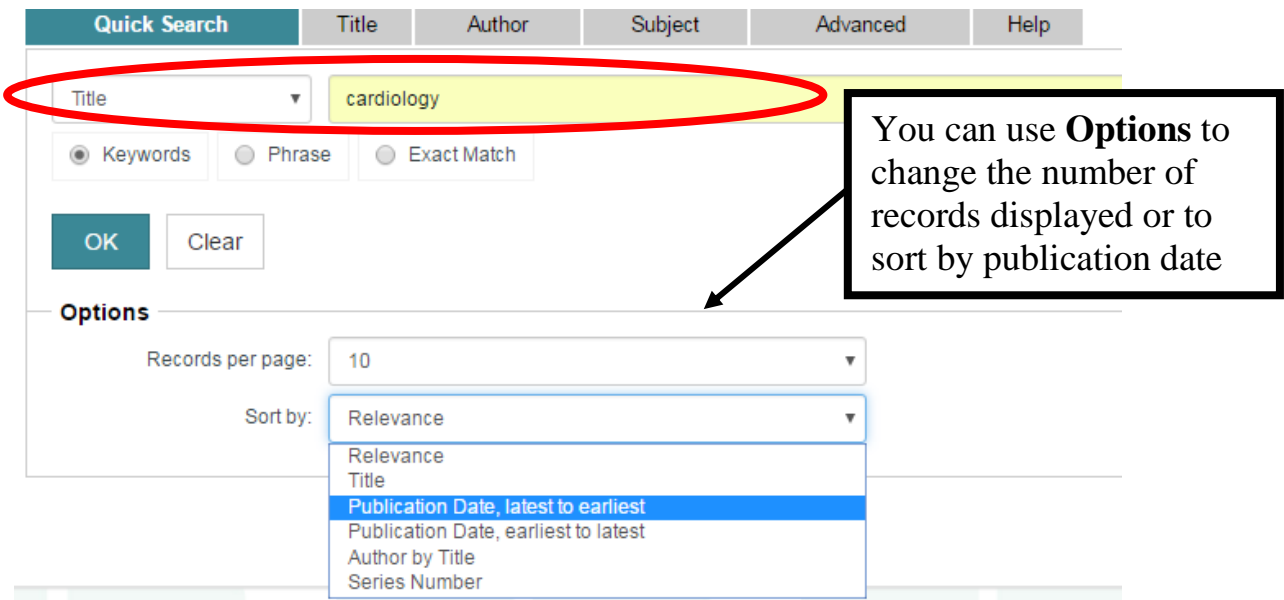

## How to find e-books in the library catalogue

1. Go to the Library Online Catalogue:

<http://alfred.spydus.com/> - Click on the Advanced Search

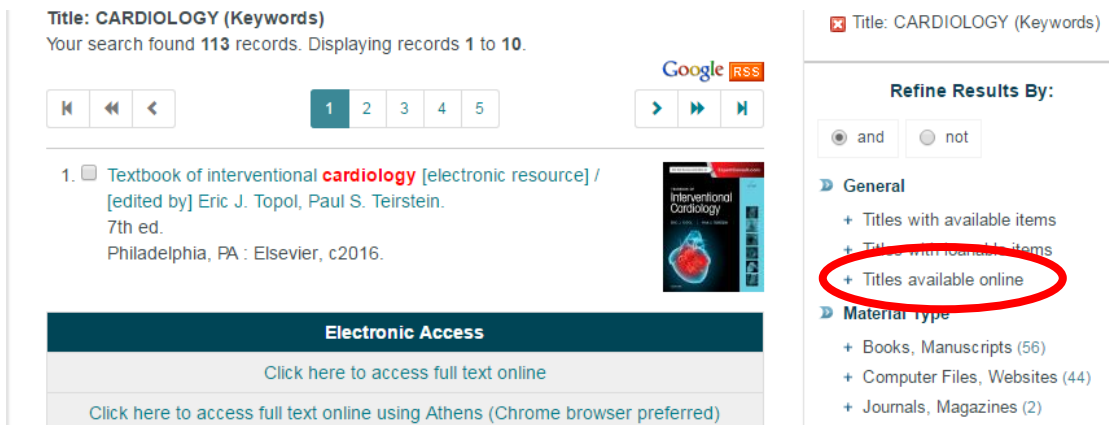

2. Enter the title. Type in the information eg: Cardiology

3. Click OK

4. A list of titles appears.

5. Refine your search results to titles available online by using the Refine Results By on the right and click: - Titles available online.

6. A list of titles with Electronic Access is displayed.

7. To access the e-book title you prefer, click on the links provided.

▶ The 1<sup>st</sup> link is for on-site access

▶ The 2<sup>nd</sup> link is for access from home or off-site

Title: **CARDIOLOGY** (Keywords) and (Titles available online)  
Your search found 44 records. Displaying records 1 to 10.

1.  Textbook of interventional **cardiology** [electronic resource] / [edited by] Eric J. Topol, Paul S. Teirstein. 7th ed. Philadelphia, PA : Elsevier, c2016.

**Electronic Access**  
Click here to access full text online  
Click here to access full text online using Athens (Chrome browser preferred)

1<sup>st</sup> link is for access onsite

2<sup>nd</sup> link is for access off-site or from home

**NOTE:** access via the 2<sup>nd</sup> link requires an **Athens account** for login.

**To register for Athens account go to:**

<https://register.openathens.net/alfredhealth.gov.au/register>  
(Fill out the self-registration form)

**NB:** *Registration is active for 12 months and then it needs to be re-activated.*

8. If the list of search results is too long, you can refine them by using the Refine Results By: and click on the appropriate links.

for example:

- ▶ Topic
- ▶ Publication Date
- ▶ Author

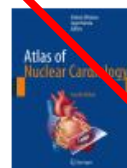

Title: **CARDIOLOGY (Keywords) and (Titles available online)**

Your search found **44** records. Displaying records **1** to **10**.

RSS
