

## Author Workshop: Publishing Open Access in Wiley Journals

25 February 2026 | 2:00pm - 3:00pm AEDT

[Register](#)

Join us in this upcoming webinar to find out how to publish open access in Wiley journals via the **Victorian Health Libraries Consortium's (VHLC)** Wiley transformational agreement.

This session will cover:

- The benefits of open access publishing
- Specifications of the VHLC-Wiley transformational agreement
- How to submit a manuscript and corresponding APC coverage application through the agreement
- Publishing tips and resources for authors

### About the speaker

#### **Tamara D'Mello, Associate Publisher, Wiley**

Tamara is an Associate Publisher in Wiley's Melbourne office and oversees journals on the Health Sciences list for the APAC region. Her previous experience spans various aspects of the publishing industry, including project management in education publishing, content creation and development roles in magazines and newspapers.
