

Therapeutic Guidelines Mobile App

1. Download the *Therapeutic Guidelines* app from App store or Google play store.
2. When onsite at an Alfred Care group campus connect your phone to AH-staff or AH-data Wifi network.
3. Open the TG app which should detect institutional access, and display Safercare Victoria as My Account.
4. You will be able to use the app now remotely or without institutional WiFi for up to 6 months. To maintain access you will need to reconnect to institutional WiFi and use the app again once.
